ACKNOWLEDGMENTS

The idea of this book would never come to fruition without the support and contribution of many people. The editor would like to thank Gadjah Mada University for the generous grant under the Twin Center program during 2018–2019. The program permits this collection of writings to be reproduced in a publication form. The office of Vice-Rector of “Research and Community Services” of UGM under Dr. Ika Dewi Ana’s leadership has been especially pivotal to make this project possible. Rhamadonna of the Office of Quality Assurance, UGM, has helped with the project’s administrative support. Many people from Pancasila studies Center (PSP) UGM have contributed tremendously and worked unrelentingly since the program began in August 2018. I would mention some of them, Rona Utami, Mustofa Anshari, Hendro Muhaimin, Diasma Sandi Swandaru, Mustafied, Raka, Hari, Endah. A special thank especially to BPP (Badan Penerbit dan Publikasi) UGM to enable this manuscript to get published.
